EDUCATION

Colégio Ari de Sá Cavalcante

Jan. 2025 – Dec. 2025

High School Diploma, 12th grade (Intensive STEM Track in Chemistry, Mathematics, and Physics)

Fortaleza, Ceará, Brazil

- Brazil's top-ranked school since 2025; admitted on entrance-exam and science-olympiad results.
- Average 94/100 (12th grade); 100% merit scholarship (tuition, housing, flights, living expenses) | [School profile](#)

Colégio Militar de Salvador

Jan. 2019 – Dec. 2024

Middle and High School, 6th–11th grade (public school, Sistema Colégio Militar do Brasil – SCMB)

Salvador, Bahia, Brazil

- Bahia's top-ranked school since 2015 (1,483rd in Brazil, 2023); admitted by competitive exam (~1% acceptance).
- Average 89/100 (6th–11th grade); yearly “Alamar” academic distinction, 7th–11th grade; top 10% of class | [School profile](#)

EXPERIENCE

Hibeex

2026 – Present

Co-Founder

São Paulo, Brazil

- Building an AI workforce that eliminates back-office bureaucracy and structural inefficiencies for small and medium enterprises; engineered an LLM-driven pipeline that cuts clients' workload by 73%.
- Selected for Canastra Ventures' 12-week pre-seed AI Residence, São Paulo (1 of 6 startups; 0.55% acceptance rate; 50% of the cohort cut midway; competing for US\$160,000); youngest founders ever to graduate.
- Youngest-ever WOW Startup Accelerator finalists (1 of 11 from 276 startups, competing for US\$100,000); only Brazilians accepted into the European Innovation Academy's Undergraduate Entrepreneurship Program (10 of 5,000+ applicants).
- Accepted into LALA Start, Claude for Startups, and AWS (US\$100,000 in cloud credits).

Project Candela (Low-Cost Physics Kits for Public Schools)

Jun. 2022 – Present

Founder & Lead Engineer

Bahia & Ceará, Brazil

- Designed and manufactured 140 lab kits for 5 classical-physics experiments with QR-linked video lessons, funded by a ~US\$700 PIBIC Jr. research scholarship (Federal University of Bahia) and ~US\$1,500 raised through crowdfunding.
- Pitched to 60+ schools and implemented the kits in 28 public schools across Bahia and Ceará, reaching 3,392 students.
- Raised participating students' physics grades by 40% and cut failure rates from 30% to 10% within 6 months; selected (1 of 14 among 700+ projects) to present at the International Institute of Physics and at Fundação Estudar's annual conference.

RESEARCH

Fundação Estudar

Jan. 2025 – Apr. 2026

PREP Fellow (selective leadership program) & Research Fellow in Economics

Brazil (Remote)

- Ran a randomized controlled trial with 208 public-school students on the effect of fintech tools on savings behavior, mentored by [Dr. Aaron Litvin](#) (Ph.D., Harvard); the treatment group increased total savings by 130%.
- Authored a [paper](#) on behavioral biases and nudge theory with recommendations for Brazil's National Curriculum (BNCC).

Principia Institute

Jun. 2023 – Jun. 2025

Research Scholar in Chemistry

Brazil (Hybrid)

- Modeled reaction mechanisms in chemical kinetics (steady-state approximation) under [Dr. Juliano Bonacin](#) (Ph.D., USP).
- Simulated Haber–Bosch ammonia synthesis and stratospheric ozone decomposition (97% model accuracy); documented results in a 59-page [thesis](#) and presented them at the Institute for Theoretical Physics (IFT-UNESP).

HONORS & AWARDS

- **Science olympiads, 2021–2025:** 39 medals (19 gold) across 49 competitions.
- **Chemistry:** Finalist, International Olympiad (IChO) selection | Gold, North/Northeast (ONNEQ) | Gold, Junior National (OBQ Jr.), top 16 in Brazil, 2022 | Bronze, National (OBQ)
- **Mathematics and Physics:** Silver, Public Schools Olympiad (OBMEP), highest score in the school | 2× Gold, Mathématiques Sans Frontières (international) | State Top Scorer, Physics Olympiad for Public Schools (OBFEP)
- **Other:** Gold, Biotechnology Olympiad | Gold, National Science Olympiad (ONC) | 2× Gold, Energy Efficiency (ONEE)
- **Programs:** Mentee, LALA (Latin American Leadership Academy) University Placement Program, 2026–27
- **SAT:** 1510/1600 (Math 780, 98th percentile; Reading and Writing 730, 96th percentile), Sep. 2025 | [score report](#)
- **Duolingo English Test:** 130/160, CEFR C1 (Advanced), Aug. 2026 | [certificate](#)
- **AP equivalents:** [Schoolhouse.world certifications](#) in AP/College Calculus and AP/College Chemistry

SKILLS

Technical: TypeScript, JavaScript, Python, Java, C++ | Next.js, React, Node.js, Supabase, PostgreSQL, AWS, Claude API, MATLAB
Languages: Portuguese (Native), English (Fluent, CEFR C1)
